

LEED® AP O+M Training Program

LEED Green Associate Credential Training Included

LEED AP O+M credential signifies an extraordinary depth of knowledge in green building practices and specialization in a particular field. CTG's Professional Accreditation Operation & Maintenance course is a thorough training in green building practices and the LEED O+M Rating System.

Goals

- Obtain knowledge and skills required to pass the USGBC LEED AP O+M Practitioner Test
- Gain ability to assist project teams in achieving LEED O+M certification
- Equip yourself with the knowledge to help address and achieve emission reduction programs & green building initiatives for existing facilities

Course Schedule

The program consists of a total of six sessions, taking place from 9am to 12pm on the following Thursdays:

- July 23, 2009
- August 6, 2009
- August 20, 2009
- September 3, 2009
- September 17, 2009
- October 1, 2009

Location

Downtown Denver, CO
Exact Location TBD

Instructor

Lisa Stanley, LEED AP O+M
Green Building Consultant
CTG Energetics

Class Fee

\$500 per person

Requirements

- Attendance at each training session
- Participants must purchase the LEED Reference Guide for Green Building Operations & Maintenance for the Operations and Maintenance of Commercial and Institutional Buildings 2009 Edition from the USGBC
- Complete regular reading assignments and homework
- LEED EB Certification project experience (If attendee does not currently have project experience, CTG may be able to help pair candidates with buildings that are currently in the certification process)

LEED AP Examination Date

We recommend candidates register to take the exam during the week of October 5, 2009.

About CTG Energetics

CTG has been providing sustainability consulting and integrated green project delivery since 1997. The firm has been deeply involved in the development and deployment of the LEED Green Building Rating System. Our training programs take a hands-on approach to learning and seek to provide class participants with long term value in a learn-by-doing environment.

Thank you for your interest in CTG's LEED AP O+M Training Program.

To enroll please fill out the form above and return to CTG with payment. Checks accepted.

Space in the program is limited - please RSVP as soon as possible.

Forms may be completed electronically and returned via email.

Payment must be received prior to the start of the first session on July 23.
